A collection that is always new and  
is perfectly suited to your needs

**Creating Spaces that are  
Functional, livable and  
intensely personal**

## About Studio Young Designs

Studio Young Designs is a Furniture and Interior Design Firm with a strong legacy. Headquartered in the Central Business District of Bangalore, we have contributed to the robust sense of aesthetics in this city for over four decades. We have designed, developed, and executed turnkey projects across homes and offices.

We at Studio Young Designs, always strive to achieve excellence whether it is creating a perfect kitchen space for you, elevating your living room with luxury furnishings or building bespoke wardrobes that give you complete satisfaction every time you open them. When you walk into our store, you receive our undivided attention and care which is what makes us different, makes us better.

**Dhanesh Samant**  
Founder

Studio Young Designs has been my brain child that I have nurtured for over four decades. Our state of the art designs are crafted with novelty to create homes that exhibits elegant grandeur. Over the four decades we have been able to provide complete satisfaction to all the clients who have been associated with us and we hope to provide the best of service and craftsmanship to every client who wishes to start the journey of building a wonderful home with us

“  
We add  
elements to  
spaces that  
calm your mind  
and soothe  
your soul  
”

## The Kitchen

What does it mean to have a dream kitchen?

Cooking is art. You need a kitchen that befits this grand purpose. We create complete kitchens that includes materials, appliances and lighting.

Our kitchen accessories make kitchen chores easy and optimize efficiency.

### Drawers and Fittings

## Wardrobe

“

Opening up your closet should be like arriving at a really good party where everyone you see is someone you like.

”

## Living Area

Our Living areas are made for you to relax and relieve your stress. A place that lights up your morning and inspires you for the rest of the day.

# THE KITCHEN

A place for magical moments.

A kitchen is a reflection of you and your idea of a home. We understand your lifestyle, cooking and storage needs and create a beautiful ambience where the food you cook tastes truly divine.

These kitchens are designed with elegance and richness of texture in mind to make your cooking experience effortless.

## Pink Blossom

Feel surrounded with purity, tenderness and affection amidst the Blossoming pink kitchen.

**Blossoming Pink-** The color pink exuberates the feeling of tenderness and affection. This innocent color is known to tone

down aggression and to create a soothing effect on your mood.

So ignite your creativity with

the positive effects of the **Pink Blossom** kitchen.

## BLACK BEAUTY

Step into the bold and dramatic Black Beauty Kitchen.

**Black Beauty:** A color that cannot be ignored and makes a definite style statement. When used with flair it renders a sophistication to any space.

Combined with the contrast of wooden finish and cool grey this kitchen is a perfect choice for anyone who wishes to cook in a suave ultra-modern kitchen.

## Pristine Blue

Be healed with the calmness and serenity of the **Pristine Blue Kitchen**.

**Pristine Blue-** The color blue can have a calming effect on oneself as it helps to regulate heart rate, blood pressure and even body temperature.

The color of the ocean and the color of the sky renders a true sense of serenity to your kitchen thereby relieving you of all the stress and anxiety you experienced during your day and causing a complete sense of calm as you prepare your meal.

**Royal Blue-** The color you can confide in and a color that will never let you down. This regal color also alleviates stress and is the kind of positive presence one needs in the most stressful of days.

Share the tranquility and relief this color offers you, through our **Royal Blue Kitchen**. This Kitchen is designed with elegance and richness of texture in mind. The hard wood veneer draws with led lighting is one of its kind in the world.

## Royal blue

Experience a sense of tranquility as you walk into your regal **Royal Blue** kitchen.

Walnut draws with SS handles

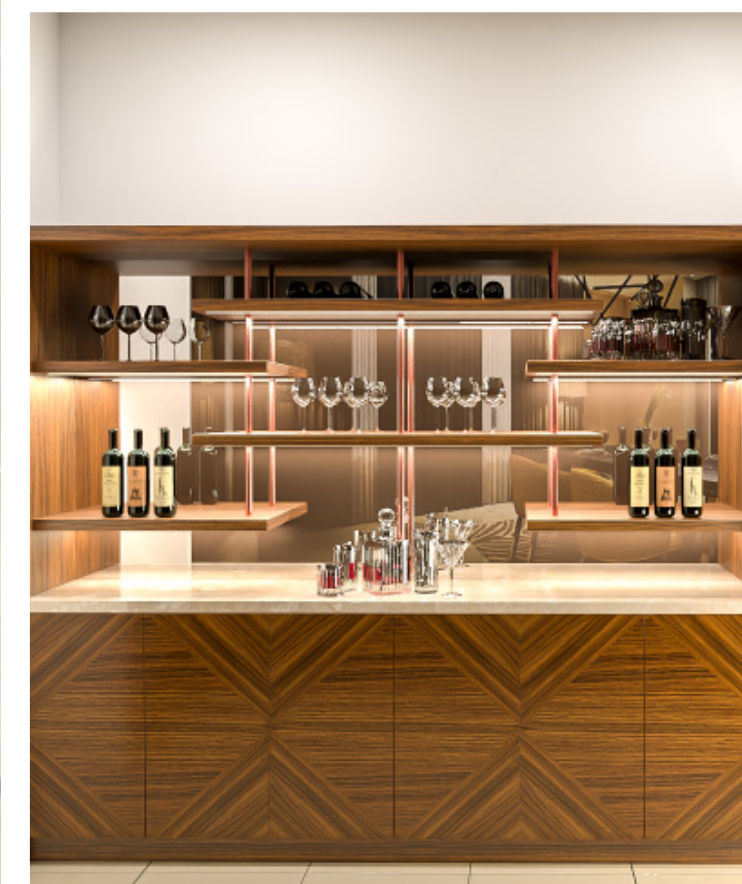

**Beige Delight-** This neutral color emanates the qualities of dependability and elegance.

When paired with rustic wood finished cabinets this color truly elevates your kitchen space.

The exclusive bar has a natural walnut finish with suspended shelves reflected in the mirror.

## BEIGE DELIGHT

Elevate your kitchen space with the **Pure Beige** kitchen.

# ELEGANT STYLISH ARTISTIC

# Rustic Wood

Reminisce in the memories of the past and create some new ones in the **Rustic Wood Kitchen**.

**Rustic wood-** Reminiscing in the fond memories of our grandmother's kitchen, this Rustic wood kitchen is sure to take you on a trip down memory lane.

A perfect blend of the bygone and the contemporary these rustic kitchens evoke the memories of the past while at the same time providing the comfort of a luxurious modern kitchen.

Relish cooking your fondest old recipes in this **Rustic Wood Kitchen**

“

Opening up your closet should be like arriving at a really good party where everyone you see is someone you like

—— Amy Fine Collins

## Sliding wardrobe

These sliding wardrobes are not only contemporary in style but also serve the purpose of optimizing the space utilized. They come with a premium lacquer finish which gives them a luxurious look.

# LUXURIOUS LIVING SPACES

Classic, elegant or contemporary; no matter what your choice is, transform your living room space into an intimate abode where family, friends, and loved ones can unwind and relax in the most comfortable way.

The living room is where you and your family spend most of the time together, so this is one place that should give a sense of joy and happiness. Our Designers will help create a beautiful home for you and your family.

“

The question of  
what you want to  
own is actually  
the question of  
how you want to  
live your life

—— Marie Kondo

# CLASSIC CHESTERFIELD

THAT WHICH NEVER GOES OUT OF STYLE

It is hard to miss a chesterfield when you see one. Royal in looks, Chesterfield Sofas which stand as a symbol of luxury and sophistication, were originally created to make a statement of royalty.

# MARIGOLD

## MODERN SOFA DESIGNS

Light up your living space with this bright and sunny Marigold sofa made in genuine Scandinavian leather accentuated by metal effects.

# MESMERISE

## MODERN SOFA DESIGNS

This mesmerizing plum colored seater has a solid rose wood panel with inlay. The Chester effect on seat and designer stitching on the backrest, give it a royal feel and make it a perfect addition to your living space.

# LAPIAZ

## MODERN SOFA DESIGNS

This luxurious sofa is made with abrasion resistant fabric that is 95% polyester and 5% nylon. The superior fabric provides high color fastness providing you with a piece of furniture that can withstand and endure the effects of time.

**Timeless and contemporary  
spaces created with a purpose,  
exceptional craftsmanship and  
utmost care**
